# **Do It Yourself Debt Settlement Software**

With the Great Recession upon us, the massive drops in real estate values, the sinking of the stock market along with rising unemployment, the banks got bailed out with billions of dollars in assistance from the US Government.

The banks are now looking to clear their balance sheets of delinquent or bad debt and bring in whatever revenue they can from that bad debt.

Never before in history have creditors been more receptive to [settling debt yourself](#) for a fraction of what is owed. This equates to huge savings for the consumer!

We combine years of experience in debt settlement, with the power of technology to give you all the tools you need to settle, and negotiate your debt directly with your creditors yourself.

If you're having trouble keeping up with your bills, or have already fallen behind on your payments, the banks may be willing to work with you, but you won't know until you let them know your situation, and provide them with all the information they need.

We provide you with step-by-step program and assist you in providing the proper information to the banks to get them to settle your debt for less than you owe, in some cases much less!

Just follow our step by step program, it takes less than 10 minutes to get started!

When you join iSettledit's DebtPortal and upload details of your debt, it gets combined with all our other members' debt to create massive Bulk Settlements for the banks. They recover more money in larger sums, making it hard to refuse, so everyone wins!

Easy step by Step Program!

#### Step 1. Free Consultation

Our trained Debt Advisors will review your financial situation and explain how our program works.

#### Step 2. Enroll In The Program

Once you have determined with your Debt Advisor that debt settlement is your best option, an advisor will assist you in the enrollment process. As a client, you will be assigned a Settlement Advisor for the life of your program and receive one-on-one strategy, mentoring and support. Additionally, we will provide you with our revolutionary proprietary software so that you can track your success.

#### Step 3. Set Up New Lower Monthly Payment

Once we've determined that [do it yourself debt settlement](#) is right for you, we'll work with you to establish a single, affordable monthly payment. You'll make this monthly payment into an FDIC-insured Savings Account, in your name, and under your control.

#### Step 4. Money Is Deposited Into Your Settlement Savings Account

You begin to save the money you will use to settle.

#### Step 5. Your Accounts are settled with your creditors

When your settlement saving account has reached a significant amount our system will notify you, your advisor and the MDP backend settlement team. The system will automatically create settlement letters and will track your success. Payments to your creditors will be made from your settlement account with your authorization. Settling your account's one at a time.

We also upload your debt to the Persolvo Debt Settlement Clearing House where your debt gets combined with other consumers enrolled in debt settlement programs and sorted by creditor which may result in an automated settlement from Persolvo.
